Regarding a previously posed question about the Performance Bond:

In the **PROPOSAL SECURITY** form (page 23) and **Form 3 IDENTIFICATION OF PERFORMANCE SECURITY** (Page 25) Performance Security is shown as a requirement. However, we could not find the actual requirements of the PERFORMANCE SECURITY. If PERFORMANCE SECURITY is provided in the form of a **Performance Bond** it is Industry standard that the **Performance Bond** be on an annually renewable form (Sample attached) in the amount of one year's estimated billing. Will this be acceptable **Performance Security**?

The requirement for a bond is in state law. The bond that submitters must post will have to be approved as to form by the City Attorney and the amount of the bond will be set by the City Council, consistent with RCW 35.21.156(7).
