Major Crime in Pacific, WA

Pacific, WA- - At about 3:02 a.m., Pacific police officers were dispatched to a suspicious circumstances call at Cobble Court Apartments, 600 Ellingson Road. According to the call, a parent reported being unable to locate his teenage 13 year-old son and 16 year-old daughter. As the investigation unfolded, the body of a teenage male was found in a bedroom in the apartment. It appears that he died of homicidal violence. At this time, we believe the deceased is the 13 year-old son.

The daughter is safe and is being treated for injuries that are not life-threatening. The cause of those injuries has yet to be determined.

The daughter was found in the company of a 19 year-old male at that male's residence in Algona. That male is in custody and being questioned.

This information is preliminary. It is an active investigation. We will follow up with another news release at 11 a.m.
