

**LIST OF STANDARD DETAILS
CHAPTER 4 – TRANSPORTATION**

Major Arterial Street Section	ST-1
Interim West Valley Highway Street Section	ST-1A
Minor Arterial Street Section.....	ST-2
Collector Street Section	ST-2A
Half-Street Section.....	ST-2B
Alley Section/Private Road.....	ST-4
Trench – Pavement Restoration	ST-5
Asphalt Diamond Patch	21
Poured Monument in Place.....	MON-1
Surface Monument.....	ST-8
Site Obstruction Detail.....	ST-6
Site Distance Continued.....	?
Site Distance	?
Sidewalk Without Planting Strip	SW-1
Cement Concrete Driveway W/Planter Strip.....	4-10
Cement Concrete Driveway W/O Planter Strip.....	4-11
Curb Ramp & Texture Detail.....	BOA
Concrete Curb and Gutter	CG-1
Turn Arrow Details	CHAN-1
Rock Wall Detail.....	RKWL
Mailbox Detail	ML-1
Pavement Markings	CHAN-2
Type III Barricade for Future Extended Roadways	?
Alternative Fire Apparatus Access Turn Around	AAT-R
Removable Bollard	?
School Bus Stop Shelter.....	SBSS

**LIST OF STANDARD DETAILS
CHAPTER 5 – STORM WATER**

Silt Fence EC-1
Straw Bale Dam EC-2
Storm Drain Inlet Protection..... STOM-4
Rigid Storm Drain Pipe Trench Section STOM-1
Catch Basin Type I..... CB-1
Catch Basin Type II CB-TP2
Flow Restrictor Catch Basin Type 2..... CB-2
Catch Basin Frame and Grate STOM-3
Riprap and Energy Dissipation for Ditch..... DTCH-2
New Ditch Construction STOM-5
Manhole, or Catch Basin (Type II) Grade Adjustment Detail..... STOM-2
Downspout Infiltration Trench (use King Co.)..... XXX

**LIST OF STANDARD DETAILS
CHAPTER 6 – WATER**

Water Main Trench Section	WMTS
Water Main Depth Requirements	WMDR-1
Typical Utility Crossing.....	TUC
Thrust Blocks for Water Mains.....	TB
Anchor Block Detail	VAB
Wet Tap Connection	WTC
Cut In Connection	CIC
Fire Hydrant Assembly	FHA
Relocate Fire Hydrant Assembly	RFHA
Fire Hydrant Location in Cut or Fill	FHLC
¾” and 1” Water Service (2 pages).....	11
1 ½” and 2” Water Service	WS2
Meter and Meter Vault Assembly 3” Through 10” (3 pages).....	MMVAT
2” Blow-Of Assembly.....	BOA
Air and Vacuum Release Assembly	AVRA1
Permanent End-Line Blow Off Assembly	PELBOA
Water Sampling Station	WSSTA-1
Water Sampling Station	WSSTA-2
Pressure Reducing Station	PRS
Pressure Reducing Station	PRSNOTE
Water Valve Stem Extension	WVSE
Valve Box Adjustment.....	VBA
Double-Check Detector with Fire Connection	DCDFC
Detector Double-Check Valve Assembly	DD-CVA
Individual Double Check Detector Assembly	IDCDA
Reduced Pressure Backflow Device	RPBD
Thrust Restrain for Ductile Iron Pipe.....	TRDIP
Riser Detail	RISER

**LIST OF STANDARD DETAILS
CHAPTER 7 – SEWER**

Manhole Frame and Cover.....	MHFC
Typical Precast Manhole.....	TPMH
Typical Manhole Plan.....	TMHP
Typical Shallow Precast Manhole	TSPMH
Typical Saddle Manhole	TSMH
Outside Drop Manhole.....	ODMH
Inside Drop Manhole	IDMH
Manhole Frame Collar	MHCLAR
Polypropylene Ladder and Manhole Steps	PLMHS
Force Main Discharge Manhole.....	FMDMH
Sanitary Sewer Trench Section for PVC Pipe	SSTSPVCP
Sanitary Sewer Trench Section for DI Pipe.....	SSTSDIP
Pressure Line and Force Main Typical Trench Section.....	PLFMTTS
Typical Side Sewer Detail (Within New Development).....	TSSD
New Side Sewer Service (Within Existing Street Right-of-Way).....	SSD
Private Side Sewer Installation	PSSI-R
Standing Side Sewer	SSS
Air and Vacuum Release Assembly	AVRA
Manhole or Catch Basin (Type II) Grade Adjustment Detail.....	STOM-2
Grease Interceptor.....	?
Typical Grinder Pump Installation.....	PS-1A
Residential Grinder Pump Assembly Notes	PS-1B
Grinder Service to Gravity Main Connection.....	PS-2
Typical Grinder Sewer Air Release Valve.....	PS-3
1,000 Gallon STEP Tank	PS-4A
1,500, 3,000, 4,500 Gallon STEP Tank/Pump Tank	PS-4B
Typical Simplex STEP Tank Installation	PS-5
Typical SDG Tank Installation	PS-6
Typical STEP/SDG Tank Riser	PS-7A
Typical Traffic Bearing STEP/SDG Tank Lid	PS-7B
Typical Pressure Sewer Connection	PS-8
Typical STEP/SDG Sewer Air Release Valve.....	PS-9
Typical Force Main Line Gate Valve	PS-10
Pressure Sewer CO/2"-4" Pig Launcher	PS-11
Pressure Sewer Pig Port Detail (6" Dia. and Above).....	PS-12
Pressure Main Cleanout (6" Dia. and Above)	PS-12B
Pressure Sewer Pig Launcher.....	PS-13
Remote Post – Residential Control Panel Installation	PS-14
Typical Control Panel Installation on Existing House.....	PS-15
Typical Flushing Connection.....	PS-16

**LIST OF STANDARD DETAILS
CHAPTER 9 – LANDSCAPING**

Swing Gate and Fence DetailsSGF-1
Street Tree Planting and Staking Detail.....LSCP-1
Ground Cover Planting Detail?
Ball and Burlap Planting Detail?
Rooted Cutting / Offset / Seedling Detail.....?
Bare Root / Can Stock Planting Details.....?
