April 11, 2018

City of Pacific
100 3rd Avenue SE
Pacific, WA 98047

Access Control System

To: All Holders of Contract Documents

This addendum forms a part of the Contract Documents and modifies the original Specifications and Drawings, bid date Friday, April 20, 2018.

Acknowledge receipt of this addendum on the Bid Proposal. Failure to do so may subject the bidder to disqualification.

This addendum consists of:

One (1) page of text (including this cover sheet).

BIDDER QUESTIONS AND ANSWERS

Replace Table 3 with the following::

Table 3. Annual Costs (Maintenance or Service Contracts/Agreements

Respondent must complete each blank cell within the table.

Respondent must specify the annual cost of the system's maintenance or service contract or agreement, for each year during the projected 3 1/2-year life of the system, inclusive of both software and hardware maintenance. Note if coverage would change during the course of this time period. Reference may be made to appended contract/agreement documents. All costs are to be in 2018 dollars (no escalation).

Year of System Life	Annual Software Maintenance Contract Cost	Annual Parts and Labor (Estimate)	Total Annual Cost
Year 1			
Year 2			
Year 3			
Total Annual Costs over Initial 3-Year Project Period:			

Notes:

1. Assumes the first year a maintenance/service contract/agreement will be required is 2019, after testing and mutual (i.e., City and Respondent) acceptance of the initial phase of deployment. The pilot phase system elements are anticipated to include those items listed in Tables 1 and 2 that are necessary to provide a fully functioning keyless entry system to the City, as noted in the RFP.

Acceptance of the initial deployment phase will be achieved when the initial system elements are installed, functioning, and providing system performance as set forth in the RFP.
